

**Journal topics:**  
**Responsible for 5 out of 6 journals (2 point each)**

- 1) Lesson #3: List 3 parts of the reproductive system that you did not know prior to this lesson and their function.
- 2) Lesson #5: Write about a stereotype that has impacted you and how that made you feel, OR write about a time you heard/used a stereotype.
- 3) Lesson # 8: Put yourself in the shoes of a LGBT youth, describe how you would feel coming to school everyday, and what it would feel like to hear derogatory terms used toward you.
- 4) Lesson #9: Discuss at what age and why you plan to have a child, include reasons why you picked that age and needs, etc. that you would have OR if you do not plan on having any children list the reasons why.
- 5) Lesson # 12: Surprises, discuss things you didn't know or learned about STDs and what would you would do if you found out you had one.
- 6) Lesson #15: Discuss your reaction/response, thoughts about our HIV speaker – what did you learn, how did his/her story impact you, etc.
