

Why You Truly Never Leave High School

This will count as two assignments!

Write down the meaning of the following concepts / ideas within the framework of how your high school experience affects you for the rest of your life...

Reminiscence Bump

Your high school height, weight, and attractiveness

Development of the prefrontal cortex

More dopamine activity

The music you listen to

Exaggerated fear response

Shame vs. guilt

Your popularity in high school

Facebook friends

Take Notes on the following questions:

According to the author, why is high school a bad place for adolescents?

What is interesting / noteworthy about how kids perceive their level of popularity vs. their actual popularity? What does this tell us about being in the popular group in high school?

Does the “game” of high school play out in the adult world? How so?
