

Psychopath Homework

THIS COUNTS AS TWO HOMEWORKS – get it done and do a good job on it. This is a fantastic article.

Read “Can You Call a 9-Year-Old a Psychopath” and take notes on the following themes:

1. Symptoms of Psychopathy / Callous-Unemotional (C.U.) Children
2. Differences Between C.U. kids and kids with other childhood disorders (such as ADHD or Conduct Disorder)
3. Causes of Psychopathy
 - brain
 - genetics
 - environment
4. Difficulty vs. necessity in diagnosing a kid as C.U.
5. Is Psychopathy treatable?
